

A World Beneath Us

Experience 3:

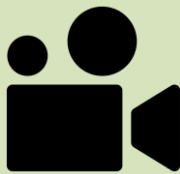

Tree Canopies

A World Beneath Us is a sensory show made by Oily Cart that is sent to family's homes.

It's made of a sensory **box** and

a sensory **film**.

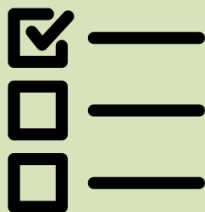

The box is made of 3 experiences.

The second experience is called:

Tree Canopies

For this experience you will need:

Large sheet of fabric.

Pegs.

String.

Shadow boxes.

Coloured film.

Torch with elastic band.

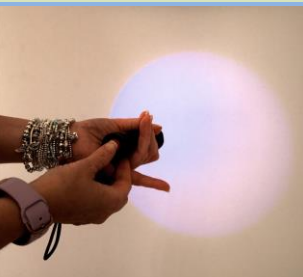

This torch has multiple settings.

This torch has a **strobe setting**.

Please make sure your torch is clicked in the correct setting.

Click the button once to turn on the torch, then press lightly for the main beam. Press lightly again for low beam.

Press lightly for a 3rd time for the **strobe setting**. Press lightly for a final time for the **UV setting**.

Find "The Canopy" note and read it with your young person.

You can explore the texture of the note or the packaging material.

You can scan the QR codes to watch explainer videos and accompanying videos.

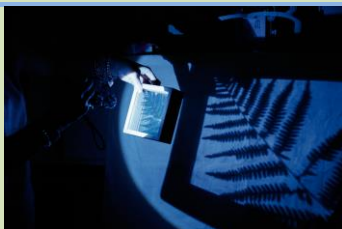

Hang the large sheet of fabric using the string and pegs if you need to.

You can hang it over the back of two chairs, up on a wall or even over the box that everything was packed in!

After choosing your coloured film, use the elastic band to attach it to the torch.

You can change colours or combine colours in your shadow exploration.

You can explore bringing your torch close or far from your shadow box.

Take your time.

You can explore the shadows of your bodies or other items from your home.
